

NFL 2005

Big Daddy jumps out to the overall lead and wins week one with 11 correct, with Jackpot and Kleineken close on his heels with 10. The loser of the week is Underdog with only 4, one less than Cash.

For the first time ever there are 2 games Monday. The Giants/Saints game was rescheduled because it can't be played in the Superdome and will be played at Giants stadium instead. The real Monday night game, Dallas/Washington will be used as the tiebreaker.
