

NFL 2005

Hey Doughboy, I can't believe you picked Arizona. What were you thinking, Seattle was a gimme! Even with missing that game Doughboy wins week 3 with 13 correct, yes that was the only game he missed. In an unheard of situation 10 players get to wear the Loser of the Week crown with only 5 correct. Q and Boocom both forgot to submit their picks so they get 4.

With the week 3 win Doughboy jumps into the overall lead, 3 ahead of Big Daddy. Retired has vacated last place which was taken over by the well deserving Snowbird and Underdog.
