

NFL 2006

It's a double win for Squatchie! Last weeks co-leader stepped up to the plate and hit a home run in week 9. Her 9 correct picks were enough to keep her atop the pack and take the halfway prize while Mamma Mia bowed to the pressure with only 7. Squatchie's 9 along with a Monday night score of 31, also gives her the weekly win. Cash (44) and Scratch(42) also had 9 but their Monday night scores were way off.

Loser of the week goes to Crusher with only 3 correct with Hot Granny and Benstock close with 4. For a second week in a row Buff and Snowbird share last place.

There will be Thursday games starting next week and continuing until week 16.
