

NFL 2006

It's a MIRACLE! Sweet Pea wins the week! Sweet Pea, a perennial bottom dweller in the regular season pool gets 13 correct to win the week. Coincidentally her better half, Underdog, had only 2 correct and takes loser of the week honours. Looking closer at their picks, I noticed that they were total opposites of each other. Earlier in the year when they were both at the bottom of the pack I had suggest doing just that. I would take a guess that Underdog made his picks and Sweet Pea took the opposite, not the other way around. Squatchie continues her iron hold on first place, increasing her lead to 7 over second place Mamma Mia, and 8 ahead of Xena. Scratch, Boocom and Saskie Guru had a disastrous week dropping way back. Buff continues to hold onto last place but Snowbird is still in the race.

Remember Thursday games next continue until week 16.
