

NFL 2006

Benstock wins the week of the underdog! I would guess Benstock didn't really care about his picks in week 16 and decided to take all the underdogs. It worked for him with 14 correct and the weekly prize is his. On the other end of the scale, Vegas Kid picked all the favourites so is the loser of the week with only 2 correct. Blondie was too busy to get her picks in and Captain Fear had a brain fart and submitted his week 15 picks. Both of them received 1 on the week. Squatchie continues to lead but drop a point and is now only 10 ahead of second place Mamma Mia. Cash and Norma Jean are tied for third place. With her 1 for the week Blondie takes over last place but since she didn't submit her picks is not eligible for the last place prize. That leaves Buff and Snowbird to battle it out with Underdog a long shot.

This is the FINAL week of the regular season!
