

NFL 2006

Wonder Dog it is! With the only 9 on the week Wonder Dog takes the prize in another brutal week. 4 others were right behind with 8. Boocom remains in the lead 3 ahead of Scratch and 4 ahead of Squatchie. Retired managed to get his picks in for week 6 but it didn't help. He would have gotten 2 anyway and still been the loser of the week. Buff remains in last place but Snowbird who got 3 on the week is only 2 ahead.

The Assistant Commish appreciates that everyone listened last week. The only issue was another couple that will not be named (not the same couple as last week). It seems that they **BOLD** the picks and add **X** beside them also. For some reason this upsets the Assistant Commish so please stop adding the **X**.
