

NFL 2007

Scratch wins again! Scratch was the lone bright spot in week 10 with 9 correct. It was a brutal week for most of us with only 6 players getting 7 or more correct. Loser of the week is Underdog with 3, while 9 others had only 4. Hawk failed to submit his picks so gets 2 which places him in firm possession of last place. Old-Cro's overall lead drops to 7 with Crusher gaining and Wonder Dog keeps pace taking over 3rd place.

Just a heads up, next week is US Thanksgiving so there are games next Thursday.
