

# NFL 2007

**Mudcat Wins A Second Week (sort of)!** A mediocre week all around except for Mudcat and Seahawk Sam who both got 11 on the week. The total Monday night score was 33 so Mudcat's 42 beats out Sam's 51 for the weekly prize. Mudcat also shared honours with Jane Doe in week 11. Mudcat's great week vaults him into a second place tie with Old-Cro, just 2 behind Crusher who increases his lead to 2. But Crusher can't relax as another 4 players are just 4 behind him. With just 2 weeks left the pressure is on Crusher to hang on to the lead. Retired and Underdog both share loser of the week honours with a respectable 5. Saskie Guru takes over sole possession of last place but Ace and Squatchie are now tied for the natural last place prize.
