

# NFL 2007

It's a miracle!! Underdog wins the week! After 3 ½ years of utter humility and disappointment Underdog finally wins another week. His 11 correct trumps Old-Cro and Mamma Mia for the weekly prize. There was a 3 way tie for loser of the week between Ace, Buff and Squatchie (second time this year for her) with 4 correct picks. This drops Squatchie into last place, Buff into second last and Ace into 4 last just ahead of Scratch. Old-Cro continues to lead, widening the gap to 4 over Wonderdog with Underdog leaping into third place.
