

# NFL 2007

Wow! Old-Cro wins another week with 10 correct and increases his lead to 7 over second place Crusher and 8 over third place Wonder Dog. Is the sky going to fall onto Old-Cro? With 13 players within 4 points of second but 11 from first a lot of us hope so.

Big Daddy continues his fall and Mamma Mia is the loser of the week with only 2 correct which means Youngblood who didn't submit his picks gets 1. Blondie and Squatchie continue their cat fight in last placed. This is going to be a doozie!
