

# NFL 2008

**Snowbird wins and Mudcat leaps to the top!** It was a brutal week for most of us but Snowbird managed to pick 11 winners and takes the weekly prize. Mudcat also had a good week getting 9 and leaping into a first place tie with a wallowing Cash. It is still a tight race for first, with just 2 weeks until the halfway prize there are 8 players within 3 points of the top spot. Week 1 winner Sweet Pea is the loser of the week and drops to within 4 points of last overall Chi.
